## SPECIAL ACHIEVEMENTS

Issued by the International Perfume Foundation in Paris

### NEW LUXURY AWARDS 2023 | WINNER

- Award-Winning Perfumer for the natural floral fruity perfume "Le Pique-Nique" at the Barcelona Perfumery Congress 2023

### NEW LUXURY AWARDS 2020 | WINNER

- Award-Winning Student Perfumer for the natural chypre leather perfume "Son Gant de Cuir" given online during the pandemic

## WORK EXPERIENCE

### PARFEX, GRASSE, FRANCE

#### Perfumer Assistant | June 2023 - Present

- Assist perfumers in compounding fragrance formulas and preparing accords, bases, and dilutions for diverse applications
- Responsible for olfactory quality control of raw materials in a laboratory
- Collaborate with perfumers to create and evaluate perfumes for competitions, update the personal olfactory database (500+ raw materials), conduct olfactory blind tests
- Manage perfumer collection and maintain stock levels of materials
- Proficient with SAP software and Roxane automatic machine

### SOZIO, SEILLANS, FRANCE

#### Perfumer Trainee/Analyst | Jan 2023 - June 2023

- Independently created and reformulated 20+ fine and functional fragrances to meet briefs, including cost reduction, performance enhancement, and regulatory compliance, approved for customers
- Independently trickle down fine fragrances into functional products (room spray, deodorant, body mist), approved for customers
- Conducted GC-MS analysis of natural raw materials and updated internal database (citruses, cedars, lavenders, mints, vetivers)
- Executed GC-MS analysis of multiple fine fragrances and performed reconstitution using Agilent equipment with ChemStation software
- Formulated perfume blends in the laboratory, combining manual techniques with the Roxane automatic machine
- Performed daily olfactory quality control of newly acquired raw materials with perfumers

### ESSENTIAL OIL HOUSE ISLAND CRES | 2021

- Participated in the harvest and distillation of essential oils from Immortelle (*Helichrysum Italicum*) and Mastic Tree (*Pistacia Lentiscus*) on Croatian Island Cres

### VEDRANA NATURAL COSMETICS | 2020 - 2021

- Developed and sold 200+ units of natural scented sanitizers and cosmetics, with a focus on hand sanitizers during the pandemic
